

## **St Peter's Church, Ugborough.**

St Peter's Church is a Grade 1 listed building dominating the South aspect of Ugborough Square.

We continue to have weekly Sunday Services, a mix of Services of the Word and Eucharists. We have a lively well attended Messy Church once a month and also hold Weddings, Baptisms and Funerals for the Community.

We celebrate the major Festivals: Easter, Harvest and Christmas in particular, with well attended services, often involving the community Choir and local musicians.

We host the Post Office once a week for a couple of hours and that is supported by a café run by local volunteers – where a good crowd from the community pop in for coffee and cake.

During the year we host School Events – from the Year V1 Leaving concert to their Christmas Carol Concert; as well as Friends events – such as an Easter Tea – and their Christmas Present Sale.

We also host various concerts and the cream teas for the Fair.

Sadly, we're facing expensive repairs to the fabric this year – so will be launching extra fund raising events.
