TO RECEIVE REPORT FROM UGBOROUGH WEST

NEW MATTERS

1. REPORTS OF THE POTENTIAL SITING OF AN ALDI STORE ON THE GREEN SPACE AT RUTT LANE

Following the recent email there has been a lot of comment and speculation on social media, and I am worried that Aldi will push Ivybridge Town Council rather than Ugborough Parish Council but until all the facts are known and rumours quashed, will keep a watching brief BUT will, at the invitation of Cllr Vic Abbott, be attending the meeting scheduled for 15 May 2024.

ONGOING MATTERS

2. POTHOLES AT THE TOP OF ST PETERS WAY/EXETER

This has been reported via the website and information from DCC suggested that the work had been completed against W241721035, which was not the case, and the matter is now being addressed by Cllr Dan Thomas.

3. 30MPH SPEED LIMITS/SIGNS AT DAVEY'S CROSS

Cllr Holway has brought this to the attention of DCC and SHDC and the matter is ongoing.

4. BUS SHELTER/S AT DAVID'S LANE PL21 0DW JUCTION WITH EXETER ROAD

Ongoing, no update.
