Ugborough Parish Council are very pleased that Ugborough School field is again available to members of our community for recreational use outside school hours. We are grateful to WeST, Ugborough School and members of the community for working with us to make this happen. We will need to continue to work together to ensure the field carries on being available for the community and we ask that users respect the conditions of use below and consider all the users of the field and those living close by. Breaches of the terms and conditions below could result in the field not being available for community use.

**The user agrees:**

- **that the use of the School field will be at their own risk;**

- **to ensure that the gate opening onto the school playing field is kept closed at all times;**
- **to only have the use of the playing field from 4:30pm until dusk each School day and all day until dusk at weekends and holiday periods provided the School does not require the playing field for its own use;**
- **to only use the playing field and not the jungle gym/forest school area;**
- **not to allow dogs at any time;**
- **to use the playing field for the purpose of sport and recreation and for no other purpose whatsoever;**
